

RhinoClean™

PRODUCT DATA SHEET

HCP100™ Liquid Hand Cleaner

Description

- A biodegradable cleaner
- Mild-abrasive creamy liquid for use on all types of ink.
- Use after using chemicals to keep your skin from drying out.
- Biodegradable, non-toxic and environmentally friendly.

Directions

1. Apply to dry hands thoroughly.
2. Rub over entire surface to be cleaned.
3. Rinse off with water or towel dry.

It is the responsibility of the screen printer to test the product; review the MSDS prior to use to evaluate whether or not the product is correct for the application intended.
